

Classes will meet 2x synchronously, with an additional 1x asynchronous "due date" for assignments where faculty are available to support if needed. Each course is allotted 2 x 60 minutes (in person + remote) and 2 remote -- (morning (30) and evening (45)) to use flexibly depending on the composition of the class.

Morning Remote Blocks

Classes and community events meeting between 8:00am and 9:30am will occur remotely. Faculty may elect to use these blocks synchronously or asynchronously.

Evening Remote Blocks: 7:30–9:30 pm EST

Designed to meet the needs of remote students connecting across distance and time zones. These blocks mirror those meeting earlier in the academic day. Depending on the composition of their class, faculty may not need to meet in these blocks.
